

Hotbox Booking Terms and Conditions

Thank you for choosing HotBox Spitalfields! If your party is planning on doing the Bottomless drinking offer (Brunch only), please note:

For any brunch tables, the party has 2 hours on the table, from the time of the booking. If you are going to be late, please give us a ring or email us. We can always hold you table if you let us know in advance, however due to other bookings we cannot guarantee the full 2 hours on the table. You are still welcome to do the Bottomless offer for the remainder of the booking time.

If notice hasn't been given, your table will be released 15 minutes after your reservation time, and a charge will incur where it applies-- for any parties larger than 6 guests, a £10 per head fee applies if notice hasn't been given within 48hrs of the booking.

Bottomless is optional for any/all the members of your party, however the slot begins at the time of the booking, regardless of when the party orders it. For this reason we recommend all bookings to be on time, and one of the members will take your drinks order as soon as you sit down.

Unfortunately, we cannot offer a discounted Bottomless for reason of being late to your booking.

Also note, because we have different sittings for our Brunch service, you will be required to vacate your table at the end of the two hours. Our last top-up is 5 minutes before the end of your two hours, to allow time for your party to finish the drinks. Management reserves the right to refuse service during the Bottomless to all/any members of your party, and also the service of alcohol after the Bottomless offer.

For our 14:00/14:15 sitting on a SATURDAY, please arrive on time as our kitchen closes at 14:30.

For our 14:30/14:45 sittings on a SUNDAY, please arrive on time as our kitchen closes at 15:00.

You're welcome to bring a cake, we just ask for you to email us in advance with the details of your booking. We sometimes have a few spare candles around to stick on a dessert!

Unfortunately, we don't allow party/birthday decorations, with the exception of balloons (non-confetti filled). Please let a member of staff know in advance so we can help you arrange them.
